Helpful Hints

- How you collect your Christmas tree can be half the fun! Try cross-country skiing into less accessible areas and make an adventure out of it!
- Branches trimmed from your tree may be used as holiday greens!
- Recycle! There are often ways to dispose of your tree AND help a community group out--be familiar with your options! Flocking and tinsel often reduce your options, so be mindful of how you're decorating.
- Go digital and download all of your maps on Avenza, and know where you are at all times! Cell service is NOT necessary!
